## MIGHTY WARRIORS - DRESSED FOR BATTLE

What an amazing God-filled, God-blessed, God-glorified week we have just had! Most of you know of the extreme challenges we have faced in H2H over the last 2 months. Last August, I felt an urgency to contact long-time friend Bruce Van Natta to come this year to do seminars about his book, "A Miraculous Life", for our 9<sup>th</sup>-12<sup>th</sup> grade students and our staff. Little did I know what lay ahead in the months preceding his visit, when our Amy went home to Jesus, and the aftermath of sorrow and grief we are all suffering with that. But God's timing is perfect.

*Luke 4:18 : "The Spirit of the Lord is upon me, to proclaim FREEDOM for the prisoners, and set the oppressed free."*

Bruce and his wife Lori, Gerald and Deb Palmer, and Mike and LeAnne Gunderson arrived in Honduras February 15<sup>th</sup>, full of the Holy Spirit and weaponed-up to go to war for us, and did not stop until they departed for home a week later. They ministered prayer, healing and comfort to over 200 that included our teens, our children at the village, and our church family,— and that was just in the first two days they were here over the weekend.

From Monday through Thursday, those same Holy Spirit-filled prayers, healings, comfort, and teachings were given to approximately 4500 people in 5 schools, the Puerto Cortes Prison, and the Thursday night crusade at our Bilingual School. Many asked Jesus into their hearts and many were delivered from sickness both spiritual and physical within our H2H family, our H2H school staffs and 9th -12th graders, at Franklin, Atlantic, and Cuyamel Schools, at the Puerto Cortes Prison, and at the public Crusade Thursday with over 300 in attendance and 200 decisions for Jesus just that night! God was glorified!

In the seminars, we were taught about the 5 Giants we all face in life; Physical, Emotional, Relational, Spiritual and Financial. We were given the 5 Weapons for these battles; The Word, Praise, Authority, Prayer and Faith, and were taught how to use them. A theme that ran through each group we prayed for was anger, hatred and unforgiveness for hurts that had been done to those who came forward for prayer by someone in their past. We learned we had to quit hating, to stop being angry, and to forgive those who had hurt us before God could answer the prayers we were praying. As individuals did just that, God performed miracle after miracle, physically, spiritually, emotionally, and in relationships. One was the restoration of sight for one of our daughters in her eye, that was declared blind just two months ago by our visiting optometry team from Oregon.

*Dr. Chown and the Optometry Team*

Words of knowledge were given to the team as they prayed for individuals that they could not possibly have known prior to praying. One young man at Franklin High School came to Mike and me about his heart. He told us it felt physically cold. He thought something was physically wrong with his heart and wanted us to pray for God to heal it. As we prayed, Mike received a Word of Knowledge from God that this young man had an uncle who had hurt him in the past. Immediately, the young man's hands flew to cover his mouth and he burst out crying. Mike led him in a prayer to rid his heart of the anger, hate and unforgiveness toward his uncle, and immediately, his heart no longer felt physically cold. He wept for a long time in Mike's arms.

One of our teachers, Miss Nancy, came forward for prayer about pain in her back and her leg. Bruce had her sit and extend her legs. One was remarkably shorter than the other. As he prayed, we watched in fascination as her short leg grew to match her other leg, which she said she actually could feel. Her back pain was totally gone.

One of our school directors had been suffering with a medical condition that her doctor said would need surgery. She had received the infilling of the Holy Spirit last week. Monday, she went for a check up before scheduling the surgery, and the doctor said he could not figure it out, but the condition is totally gone!!! She is healed!! No surgery necessary!!!

All of us in our H2H Family have been suffering with sorrow at the loss of our Mami Amy. Healing hands of comfort were laid on all of us by this God-sent team to help ease our pain. In the process of us getting to minister Jesus to so many, God is giving us His strength and His healing for our hearts.

Every service, all week, was led by our H2H Worship Team. This is a team of students and adults from our bilingual school and our church that was organized by Amy and Oscar in November to lead worship at our school events and to visit other schools and organizations to share the Gospel. Amy led the singers and Oscar sang, played guitar, and directed it all. They first performed at our school Christmas Program, and at our church Christmas dinner celebration, just days before Amy went home to be with Jesus.

Now, led by Oscar, they are carrying on and opened each program during the week with musical praise and prayer filled with the Word. It was amazing!

**Coffee Shop Update**

We are now building our first Jubilee Coffee Drive-thru in front of our H2H clinic. We hope to be serving prayer-over coffee, drinks and desserts very soon. More on that next month.

Today we had our end-of-the-month Chapel led by H2H Worship. It was the most spirit-filled Chapel we have EVER had. They will lead worship at the Spanish School Chapel next Thursday. Please keep this mighty arm of God's power in your prayers as they spread the Gospel wherever He leads.

Friday our Bilingual and Spanish School Eagles hosted the First Annual Friendship Soccer Tournament at the Bilingual school soccer field with Atlantic Bilingual. The three teams played against each other. Our Spanish School Team won the first-place trophy, with second place going to the Bilingual School Team. It was also Twin Day at school with most everyone participating.

**Our Mr. Ricardo**

A huge thank you to our H2H Board Member, Treasurer, and team leader, Rick Stephens, who was with us when Amy passed in December and returned to teach budgeting at our two schools two weeks ago. He has taken care of all the details that come with the loss of a loved one, from the casket, to the burial plot, to the memorial pictures and benches, just to name a few. We could not have done it without him and are forever grateful for his strength and comfort to all of us during this time when he too, was grieving.

# Village & School News

## Visiting Volunteers:

Our Christian brother, Dave Bachelor, a retired school counselor from Chehalis came in January and just left for home. While here, he lived at the village and ministered Jesus to everyone there and daily in our 4<sup>th</sup> grade at our bilingual school. His gifts have been used by God for our H2H family once again, as he was also here when our precious Diana died of the flu last year. Dave blessed our village with some new appliances that were much needed. Thank you, Dave from all of us. We are looking forward to your visit next year!!

Susie Strom currently from Kansas, but a native of Skamania County where she is a 36-year veteran in law enforcement, was here for 3 weeks teaching a course she wrote to our 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students based on the book and movie, "Wonder". She lived with us and absolutely captured the hearts of all the girls who live in our house, and those of the children in her classes. She blessed us with a home-made American meal of meat-loaf and mashed potatoes with banana cream cake for dessert, much to our delight and that of our team from Wisconsin and Oregon who were blessed to get to share in it!! Then she provided for the whole H2H family to go to a movie at the new mall theater later on. Thank you so much Susie for your love, prayers and blessings to us. AND for your promise of coming again next year to help.

Gerald and Deb Palmer from Wisconsin came a week ahead of their ministry team. Gerald helped Oscar make solar panels and Deb was an amazing help in our 4<sup>th</sup> grade at school. They treated our house to dinner at Flamingos, and outfitted our Bilingual School lunchroom to a face-lift, with new floor tile, 4 white boards and 4 fans. Wow!!!

Bruce and Lori Van Natta from Wisconsin and Mike and LeAnne Gunderson from Oregon, rounded out the team later in the month and

dipped us all in an almost tangible Holy Spirit wash for a week. Thank you all for your commitment and love. We look forward to your visit to the NW in November. **Bruce will be the keynote speaker at our Annual H2H Fundraising Banquet on November 2, 2019. Mark you calendar and plan to be there.**

## Spanish School Report-

The Spanish School opened its doors February 11<sup>th</sup> for the 3<sup>rd</sup> year. Miss Iris is our director over 134 students in grades 1-12. H2H Worship will also be leading praise and worship at their monthly chapels. At devotions the first week of school, our seniors led the worship. It was Valentine's Day, so they spoke of how great the love of God for us is, even though we are sinners, and about love for our family and friends. At the end everyone gave a hug to those who were sad. We had a blessed day!

## Village Report

Oscar made solar panels all month with the help of our girls. They installed several panels at the Boys' House at the Village. With the next installment, that house will be totally run on solar! Thank you for your donations toward this project. This project is ongoing and will eventually lead to total electrical independence at all our facilities.

Amy's Memorial Bench

There are four identical benches: one at the Spanish school; one at the Bilingual school; one at the boy's house and one at the girl's house.

For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”
