**HAPPY EASTER!**

A most blessed and happy Easter to all of you! I pray we all celebrate this day remembering that because of Easter, we have the hope of eternal life, and by choosing salvation, that came through the death and resurrection of our Lord and Savior, Jesus Christ, it is a guarantee!

*"They found the stone rolled away from the tomb, but when they went in, they didn't find the body of the Lord Jesus."*  
 - Luke 24:2-3

By Mary Frenter

Several weeks ago, I was sitting alone in our school library praying and glanced up at the bookshelf that holds Bibles and related things. I said, "Jesus, if You walked into this room right now, I would be so ashamed for You to see this shelf. All of these books SHOULD be in the hands of people who need to know You!" So, since I have every child in the school in my Library classes every week, I began giving Bibles away to those who wanted one. There was a set of about 100 small booklets that contained only the Book of John. I gave one to each of my 8<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grade students, and we began going through it together, word by word. This has been an amazing opportunity to teach the Word to these kids, who will then have the understanding and the tools to teach others.

# prayer

Thank you to all of you who faithfully pray for us daily. Your prayers have moved mountains for this work in Honduras.

Pray that the government would allow us to take children again. They shut that down all over Honduras in 2018. Oscar is in line to meet with the new president about this, but she has much more pressing matters happening right now, so it may be a while.

Also, pray for funding for our kids to go to our school next year – we need about \$55,000. This pays for matricula and tuition for the whole year for our fifty kids who are still in our school. Thirty of our kids are now in college in Honduras and the US. The rest work for us. We have almost 500 students between the two schools. Amazing Grace! Folks swarmed to come to our schools when we were given permission to have kids on campus after almost two years online. What an opportunity it has been to share Jesus with all of them and their families, as well as provide them with an excellent education.

## FATHER'S DAY

In Honduras, Father's Day is in March. We celebrated at the school with a Drive-Through Father's Day event, since we are not allowed to have parents in the school, yet. Daddy Oscar was showered with tons of love, cards, and gifts from his children, as well.

## DR. SEUSS

Dr. Seuss's birthday was remembered with week-long events where we all dressed up as favorite characters from his books. Mustache Day was a particular favorite.

## VISITORS

Our Tennessee family, Marvin, Karen, and kids Thomas and Johanna came for a visit in April. It has been over three years since they were last here. Marvin was one of the first gifts God brought to our family in 2004 when he was fifteen. What a blessing it is to see how Jesus has raised him up to be a wonderful man of God and a loving husband and father.

## CHURCH – A little child shall lead them

Our H2H Church is almost back to pre-covid action. Saturday night church and Sunday School are back on track, with only the need for additional Sunday School teachers, before classes begin. Thursday night Prayer Service is on again, and hopefully, Youth Group will start up soon, too. Pastor Alfonso is not only our church Pastor but is also Pastor of our schools. He gives the

word each Monday at the Spanish School morning devotions and on Tuesday at the Bilingual School. The last Friday of each month, we have joint staff devotions with both schools where he gives a word from the Lord that we all need to hear. It is wonderful!

One of our children, Josue David, who takes seriously almost everything Tio Oscar tells him, has begun inviting people to church, because Oscar told him to. Our school receptionist informed me that the reason she started coming was because of David's invitation. She said he looks for her to arrive each Sunday and promptly gets up and joins her. David's teacher told me a similar story. David keeps inviting her to come, and when she does not show up, he asks her Monday morning why not. She asked him why he wants her to come, and he told her it is because he loves her, and because Tio Oscar told him to invite people. "A little child shall lead them."

We are thrilled to announce the engagement of our daughter Ilcy, to Max Stephens. They first met when the Stephens family blessed our ministry with their service for a couple of years when Max and Ilcy were children. The Stephens live in Oregon, and Ilcy has lived in Washington with Mikaela, her sponsor, for the last three years to attend college. Max and Ilcy began corresponding, and their friendship turned to love. They are hoping for a summer/fall wedding this year.

**Congratulations, Ilcy and Max!!**

## FALL FUNDRAISING VISIT

In late September and October, Oscar and Mary will be visiting churches all over the US to share what God is doing for His Kids through H2H in Honduras. If you would like us to visit your church, please email Mary at [maryf@h2hcv.org](mailto:maryf@h2hcv.org), as we begin to make our plans and finalize our itinerary.

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”

## TO OUR HEART TO HEART COMMUNITY—THANK YOU!

**TEAMS** - We are starting to have volunteers come to visit from the US again. We are hoping 2022 will be a year you will plan a team from your church to come help us. Some restrictions have been lifted in Honduras and if you have been fully vaccinated, we are hoping you will pray about coming down to help out. This year we need teams for:

- Medical/dental/optometry brigades
- Village upkeep and repair
- Bilingual School Library set up
- Vacation Bible School and Crusade Teams

Contact our office for more information.

Hope to see you in “22”!!

**LETTER WRITING** - *The Kids would like to hear from you . . .*

*The H2H kids really look forward to receiving and reading letters from their sponsors, and they enjoy wiring back as well. One of the impacts of the Covid pandemic we have observed is that the correspondence to the kids has dropped off. For about half of the children, they have not received any letters. If you would like to correspond with a kid, your letter will definitely brightens his/her day. Please send your letters to the H2H office by July 1, 2022.*
