Hello and Happy September to everyone!!

It is a very busy September. . .

Flag Day Celebration

Children's Day was September 10th

We celebrated the 11th year anniversary of our schools, complete with cupcakes for everyone.

In addition, our 27 college students headed back to classes at their respective Universities both here and in the US.

CONTAINER

AND...we are loading and sending to Honduras, a 40-foot container in Chehalis, Washington, under the direction of good friend Wil Henriquez, with the help of several H2H volunteers that includes some of our kids going to college in that area.

Thank you to Mr. Steve, Mr. Phil and Mr. Grey for providing the funds for our Village Swim/Barbeque at the Village.

Jesus, be with each one who is obedient to You in giving to help support this profound work You are doing for the children You bring to Your Heart to Heart family in Honduras. Bless them through Your Holy Spirit with spiritual, emotional, and physical protection. Bless their relationships with You and those You bring into their lives. Bless their finances and give them wisdom to be good stewards of all you provide them with. Draw them ever closer to You, Father, seeking to know You more, as You are conforming them to the image of Your Son, Jesus Christ, in whose name I pray, and for His glory, Amen

We have returning volunteers here visiting, with Phil Jasa who comes each fall to visit for a month and help at the school, and Steven Hauenstein, our Mr. Science, who comes twice a year to delight the kids with science magic for a few weeks. Rick Stephens, our H2H Board Member and USA H2H Office Director, is here to teach a budgeting class to our seniors, celebrate 3rd quarter birthdays with our kids, and continue the preparations for the November Quinceanera celebration for our daughters who turn 15 this year.

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”

TO OUR HEART TO HEART COMMUNITY—THANK YOU!

Change In Gift Policy To Rescue More Kids

Finances in a charity operation are always tight and now that the Honduran government is going to allow us to start taking in more kids, we have been looking at ways to change our spending, so we have more funds to care for more children.

When it comes to giving birthday presents the ministry uses operating funds to purchase the bulk of the presents for the kids, which is very expensive to do. Along with the cost of the actual gifts, we incur shipping charges to send gifts to Honduras. Effective immediately, at each birthday celebration only children 12 years of age and younger will receive a birthday gift. Those who are over 12 years of age will still be celebrated – sang to, prayed over and served cake.

Also, rather than give a full set of clothes in addition to a toy in the gifts at the birthday celebration, we will distribute the clothes to kids as their needs arise.

For Christmas each kid regardless of their age will receive a gift and an outfit. As we are in a transition of implementing the new policy, the gifts and clothes we received or purchased for kids over the age of 12 who celebrate their birthday in the 3rd or 4th quarter will receive those gifts for Christmas.

Thank you for supporting our efforts to teach the kids under our care proper values and to also provide the ability to rescue more children from the desperate circumstances many of them are living in.

FALL FUNDRAISING

Near the end of September, Oscar and I will be heading out to do Fundraising Presentations on the East Coast, the Midwest, and the Northwest of the United States. Please pray with us that God will touch the hearts of His people everywhere to help provide for the monthly financial needs of this ministry of His.
