

GIVING LIFE, BRINGING HOPE TO ORPHANS IN HONDURAS

CLACKAMAS, OR | WWW.H2HCV.ORG | 503.427.0258

"TO EVERYTHING THERE IS A SEASON AND TIME TO EVERY PURPOSE UNDER HEAVEN." ECCLESIASTES 3:1

Fall harvest time is here and with it the beginning of the school year with a "bumper crop" of children returning to a new way of doing school called Distance Learning! At the village, we have had bushels and bushels of avocados, mangoes, papayas, plantains and bananas from our orchards. Our corn fields just keep producing crop after crop.

Besides experiencing a bumper crop in our orchards and gardens this fall, souls are being harvested, as well. The Word says they will know us by our fruits, meaning, of course, those new souls won for the Kingdom. The Covid Quarantine may have shut the doors of our church building, but God opened a new door through the Body and Soul Program to produce this bumper crop of new souls for the Kingdom. Led by Oscar Serrano, many of our H2H family go out every week to bring the Word and feed the hungry where they live. God's Word has and always will, find a way to shine in the darkness!!

Our college students here and in the US are continuing their studies via the internet, as well. At any given time, the family room in our house has upwards of 20 of our girls, hard at work on their classes. I know many of you are praying for us daily and those prayers are being answered.

Thank you, and please keep them coming!!

LEARNING REMOTELY

Distance Learning Began August 31

Our Bilingual School children are back to the routine of “going to school” at home, in computer lab classrooms set up by Sarah and Oscar Serrano. We are using Google Classrooms and have just finished our first week of classes. We have almost 200 students in grades K-Seniors, that represent over 100 families, in addition to our 55 H2H family kids.

Our staff did lots of tutorials with the students about how to use this program, which symbols to click for what, and so on. We had a few glitches with staff, students and parents this

week, as we all learn this new way of doing school. Please pray for wisdom, patience, and joy as we overcome the challenges each day!!!

Our staff of 11 teachers is an amazing group of people who love Jesus and our kids. We meet each morning for 15 minutes of worship and prayer, and at the end of the day to share funny stories, and to pray and sing. Since March we have not been allowed to go to church. This is becoming a great time of fellowship each day for all of us!!

We are finding such funny situations during our live meets with kids. Parents want to be part of the show. Twice, dads have shown up bare-chested for a live chat with the teacher (only students are supposed to be allowed) and a mom stood in the background in a pair of shorts which were far too short, during a live chat with the class, who, naturally, paid no attention to what the teacher was saying. I was at the village yesterday to check on our computer lab classrooms at the Boys’ House and at the Girls’ House. Santiago sat at his ‘puter with headsets on, just singing away out loud with his online teacher, as she taught them a new song, completely oblivious to the other 25 boys in the class who were busy at their computers.

This is definitely testing every skill we all have to deliver the Word and good education via the internet. I truly believe everyone of us will be better educators when we return to the classroom because of this intense training to detail and preparation we have had to learn. It is only making us better. *“You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives.”* Genesis 50:20 I LOVE how God does that, over and over!!

Body and Soul Food Outreach

Every week we continue to deliver food to those who are hungry, taking the Word and food to them where they live. Thank you for your continuing support for this work of the Lord.

The book is available today in digital format (PDF and Flip-book) and will be available soon in paperback form at Amazon.

Spotlight on H2H Students in the USA

Our sincere thank you to all of you who support our kids going to college in the United States. You are giving these kids the opportunity of a lifetime. God bless you!

Alexis has been accepted to the Moody Bible School for Missionary Pilots! He joins Daniel who is in his second year there. We are so proud of these two amazing young men of God. Thank you to Dave and Paula Fester, Steve and Tanya Bumstead, and Bill and Suzy Dalton for providing a home for Alexis for the last two years while he attended Bellevue Community College.

Lesly is continuing with her university studies in Wisconsin, living with Brian and Martha Strong

Ilyc and Luis are continuing their studies at Centralia Community College. Thank you to Phil Jasa, who hosts Luis, and Mikaela Gronseth who is hosting Ilyc.

Francisco continues his university education in New York with Tom and Susan McGown.

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”

2020

No teams are scheduled due to Covid-19 and travel restrictions

Gift/Letter Dates

To get gifts & letters to our kids on time we need to receive them at our office by the following dates:

Since we are not able to send teams to Honduras at this time, we will be shipping the gifts and would ask you to consider participating in our *Christmas Gift Drive* through a monetary donation.

ALL gifts going to the Children's Village need to be ready by October 1, therefore the deadline to receive donations will be **SEPTEMBER 17, 2020** to ensure gifts arrive by Christmas.

Thank you for supporting our kids.
