"Hope deferred makes the heart sick, But a longing fulfilled is a tree of life."

Dreams Realized

After two years of planning and praying, our son Daniel Manzanarez has been accepted by Moody Bible Institute in Spokane, WA, into their flight training program to become a Missionary Pilot, a dream Daniel has had for years! Daniel was one of the first five children God brought to our H2H family when he was six years old in 2003. This journey has been full of setbacks and disappointments, but Daniel did not give up on his dream. Thank you to all of you who have prayed for and supported Daniel. Please continue as he begins this new God-lead adventure! If you would like to help Daniel financially with his schooling, please send your donation to our office with a note that it is for his schooling. Thank you!

Second Floor of the Bilingual School

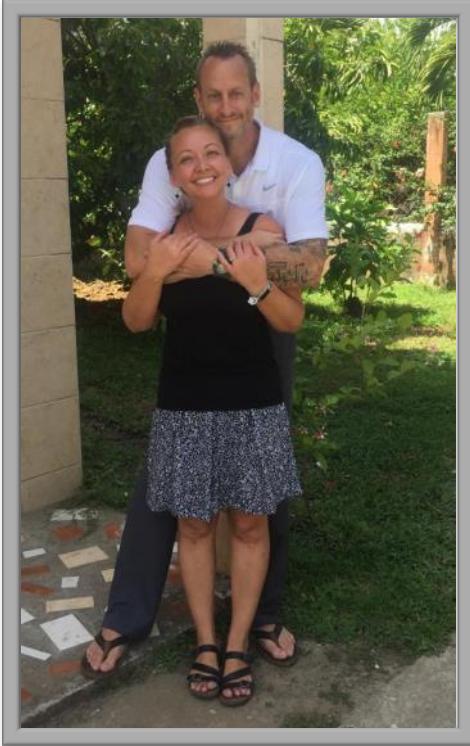

The Big Reveal for our new second floor will be at Open House on August 10th, two days before school begins for the 2019-2020 school year at our Bilingual School. There are twelve new classrooms, one of them a double room for our new six station, fully equipped science lab, and three new office spaces. Our 6th through high school grades will call the second-floor home. Each one is brightly lit and spacious. Our new band and choir will have classes upstairs. Pastor Martiza will have a new chapel for her Faith in Life classes that are taught to all grade levels each week. Thank you, Wayne and Marta VonBorstel for making this dream a reality! We are so excited for this new school year to begin!

Can you guess who I am?

HERE'S THE SCOOP

Paul and Jessica Davis

August is a favorite month for all of us here at H2H in Honduras. Summer draws to a close, and school begins once again. After 2 months of Summer Camp, visits from our H2H kids going to college in the US, time with visiting mission teams, and trips to the water park and movies, it is time to get measured for new shoes and uniforms, and pack up the new backpack to head to our remodeled school, complete with new second floor classrooms and a fresh coat of paint inside and out. Thank you to all our teen and young adult boys and girls who have worked so hard to get the school ready for everyone. We have advertised extensively to add new students to our school family. We have several new students who will join us. Also new to our school family are *In the Undertow Ministry* missionaries, Paul and Jessica Davis and their daughters. Paul will be teaching science to our high school students, and PE for 5th grade through high school. Jessica is our new 5th grade teacher. Welcome, Davis family!!!

Village Summer Camp

When school is out for the summer, our kids head to Summer Camp. Actually, they just go home and the Summer Camp comes to them. Camp this year was directed by Pastor Johnny and Miss Sodi. Each day had activities that included swimming, crafts, reading, sports, and Bible classes. Teams that are here participate and help with these activities. The kids have been twice to the water park with Pizza lunch after, and tomorrow will go to see *The Lion King* movie at our local Puerto Cortes theater. Ahead of us is Vacation Bible School the week before school begins August 12th, hosted by a new team from the US.

New Marching Band

Since November 2017, our second grade teacher, Miss Rosa and music teacher Mr. Flavio, have come to the village every Saturday to teach music to our kids who were interested. It began with ten weeks of learning to read music, and then came the big day when they got to choose an instrument to play. There are 11 of the original 20 who stayed the course. In July they reaped the reward of all their hard work and were accepted into our brand-new marching band at school. They have faithfully practiced all summer and will join others, after school resumes this month, to begin rehearsals for the Honduras Independence Day parade in mid-September. If you have an instrument at home that you no longer use, would you be willing to donate it to H2H so more of our kids will have an opportunity to learn to play? If so, please send it to our US H2H office so they can begin sending them to us with teams as they come. The gift of music is one that lasts for a lifetime. Thank you!

November 2, 2019

This Christmas our dream is to put smiles on each and every one of our Heart to Heart kids!

The goal is to make each child feel special by giving the same types of gifts for each age group.

Every child will receive a medium sized gift, one outfit with underwear and shoes, a few small items, and candy.

Would you consider participating in our *Christmas Gift Drive* either through a monetary donation or by purchasing toys / gifts for the children?

If you'd like to purchase the gifts yourself, please choose gifts that are small in size and weight; all presents go to the Children's Village in suitcases and space is limited.

Lisa Closner has created the gift idea list for this year:

Colored Pencils, Crayons, Coloring books - all ages even adult coloring books, Nail Kits, Jewelry Kits, Art Kits, Small Lego Kits, Sling Packs, Hot Wheels, Digital Watches, Small perfume/cologne, Manicure Kits, Wind-up flashlights, and Christian Romance Novels - English and Spanish, Soccer shirts/shorts/balls, Outdoor balls, hydro flask-like water bottle

2 Corinthians 1:3-5 (NIV)

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ."
