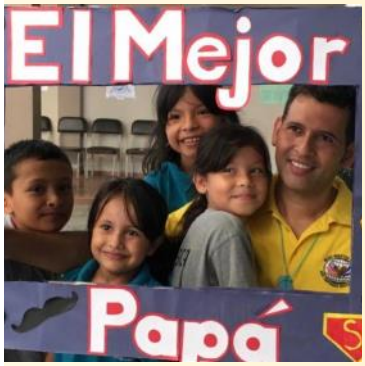
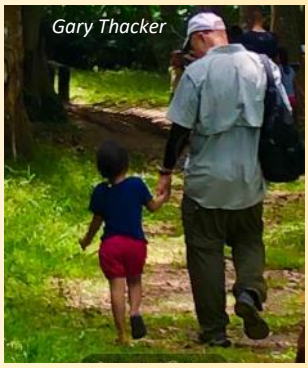
COVID BLESSINGS

God took what the enemy meant for evil and He turned it for good! I LOVE how He does that! This COVID quarantine has been a great time to actually HAVE the time to connect with family. And for most of us, with our busy lives, that was always a challenge.





This month we want to wish all the fathers out there a Happy Father's Day! AND Congratulations to our Prepa and Senior Graduates at our Bilingual School! This is one graduation season none of us will ever forget, worldwide. As I write this, today is the last day of school for our Bilingual School students. We have done what we could to honor them on our school Facebook page. We are so proud of all of them! Our staff at both our Bilingual and Spanish Schools have done a Herculean job of teaching all our students via WhatsApp since March. Our Spanish School students still have until November to complete their year. Please keep them in your prayers.

Oscar, Sarah and Rachel arrived back in Honduras from the United States at the end of April, spent two weeks in quarantine, and were up and running by May 11th.

First thing on the agenda was getting permission for us, as a ministry, to be able to be out and about to care for our kids and see to all the other facets of what we do here. The Omoa mayor did just that, and on Monday, May 11th, we were headed out to see our kids at the Village for the first time in two months! What a grand reunion that was! You know how when you are with your children daily you don't notice how they are changing and growing? Well, our kids had all changed so much in those two months! It was wonderful to see them!

Visiting the Girls

Daylin and Dunia

Even before he came home, Oscar sent recorded devotions to us to send out to our 400 students, their families, and many others each weekday. When he got home, he started an evening worship and End Times Bible study with all of us in our house. We brought all our worship instruments, drums, mics, keyboards, and guitars from our church to the house. Daily at 3 pm, our girls begin practice and rehearsal, as they learn to play the instruments and sing, in order to lead worship each night. It is one of our many COVID Blessings.

NEW H2H BODY AND SOUL FOOD BANK

Another COVID blessing is our new H2H Body and Soul Food Bank, a response to the many who are hungry in our area due to this quarantine and the accompanying loss of jobs and income. We have fed over 10,000 people in the last three weeks, thanks to the generous support of all of you who have given to this work. Not only have we given to those who come to our church doors almost daily, but we have made two trips to the families in Chile whom we minister to through Amy's Dream. In addition, we have made several deliveries to neighborhoods nearby to anyone who has not been able to come to the church to get food. We took two trips into the mountain villages as well to deliver food from Body and Soul.

COVID BLESSINGS-SHARING GOOD NEWS

This is an amazing opportunity to spread the Good News of Jesus Christ, to feed the soul, as it were. Every time and in every location, Oscar precedes the giving of food with a short sermon and prayer for the salvation of everyone present. It has been so rewarding to see that The Church is alive and well in Honduras, especially among the poor and hungry. We learn so much from all of them about God's love and provision, and His mercy and grace. It is the most amazing honor to be used by Him to help His people in need.

Indeed, what the enemy meant for evil, God has turned for good. As a ministry and as individuals we have come through a season of great loss, first Maby, then Diana and finally our precious beloved Amy. And although we felt the gut-wrenching pain of these losses, He has been constantly holding us in his everlasting arms, holding us up, holding us tight. We have come through the fire victorious, as He knew we would, and are closer to Him, stronger and more committed than ever to answering the call of compassion He gave from the beginning.

Jesus said," Let the little children come unto me and forbid them not, for of such is the kingdom of God. For I tell you who ever shall not receive the kingdom of God as a little child he shall not enter therein."

It is our job as His warriors for the souls of the people, big and small, He brings our way, to show them His way to their salvation. Thank you for the part each of you plays in these glorious battles. Praise Him that the actual war is already won!

2 Corinthians 1:3-5 (NIV)

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ."
