A Month of Celebration

WEDDING BELLS

On September 8th, two of our kids, Nelson and Suyapa, who are now adults, were married in Puerto Cortes. Suyapa, and her sisters Olga and Jensi, and Nelson, and his siblings, Adonis and Ilcy, all joined our H2H family as little children. They are all now in their 20's, married and living independently, with the exception of Olga, who is soon to graduate from Dental School at the University in San Pedro Sula. We are so happy for this new family as they begin their lives as husband and wife. The ceremony was attended by their H2H family who live in Honduras, with special surprise guests from the US, Nelson's sister, Ilcy and her husband, Max Stephens. Congratulations Nelson and Suyapa!!

Where are they now?

Ana came to H2H as a little girl. She grew up in our family, graduated from our Bilingual School, and is now in her 3rd year of nursing school at the Catholic University in San Pedro Sula. She is hoping to specialize in Geriatric Nursing. She lives in our H2H University Students house near her university with our other young women in college. She studies hard and is doing very well in her field of study. She is funny, smart, beautiful and loves to sing. She spent her summer break working for the ministry repairing, painting, and maintaining our several properties. She and several of her H2H sisters recently visited several vacation spots in Honduras before returning to her studies this month.

School News

The Bilingual School is back in class with over 230 kids in grades PreK- High School. Opening ceremonies included the whole staff serenading the new student body with “Amazing Grace”. Immediate preparations began with rehearsals for our new band, Children’s Day plans and the Honduras Independence Day Parade in September.

GOING SOLAR

We have been working to go solar for a couple of years now. We have some solar at the village and some of our other properties, but last winter we were blessed with a donation to purchase a container of solar panels and have now installed them on the roof of the Bilingual School for the coming school year!! The Power company challenge is still not resolved.

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”

TEAMS - US volunteers have been returning to Honduras this year. Some COVID restrictions have recently been lifted. To come, the requirement of the Honduras authorities and H2H Ministries, is a negative covid test. You will not need a covid vaccination. We are hoping 2024 will be a year you will pray about planning a team from your church to help us.

LETTER WRITING - *The Kids would like to hear from you . . .*

The H2H kids really look forward to receiving and reading letters from their sponsors, and they enjoy writing back as well. One of the impacts of the Covid pandemic we have observed is that the correspondence to the kids has dropped off. For about half of the children, they have not received any letters. If you would like to correspond with a kid, your letter will definitely brighten their day. Please send your letters to the H2H office by October 12, 2023
