### Where are they now?

Luis Alonso and his 4 sisters came to our H2H family in 2013 when he was 8 years old. He is now in 9<sup>th</sup> grade at our Bilingual School. We had quite a scare in September. He had an emergency appendectomy. As he was about to go into surgery, he told Oscar how thankful he was to be in our family because if this had happened outside the family, he would have surely died. He is now home and healing.

Please keep him in your prayers for a full recovery.

2 Corinthians 1:3-5 (NIV)

“Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ.”

## TO OUR HEART TO HEART COMMUNITY—THANK YOU!

**TEAMS** - US volunteers have been returning to Honduras this year. Some COVID restrictions have recently been lifted. To come, the requirement of the Honduras authorities and H2H Ministries, is a negative covid test. You will not need a covid vaccination. We are hoping 2024 will be a year you will pray about planning a team from your church to help us.

### UPCOMING TEAMS

Hope to see you in “24”!!

**LETTER WRITING** - *The Kids would like to hear from you . . .*

*The H2H kids really look forward to receiving and reading letters from their sponsors, and they enjoy writing back as well. One of the impacts of the Covid pandemic we have observed is that the correspondence to the kids has dropped off. For about half of the children, they have not received any letters. If you would like to correspond with a kid, your letter will definitely brighten their day. Please send your letters to the H2H office.*
